

# **Causal Chain: Extinction of the African Elephant**

The background of the slide is a dense, close-up photograph of various ivory carvings. These include several rings with intricate designs, a small elephant figurine, a large tusk-like carving, and numerous strands of small, round ivory beads. The ivory has a warm, off-white to light brown hue. A white rectangular box with a black border is centered over the image, containing the text.

# **Thesis**

**A high demand for ivory leads to the eventual extinction of the African elephant.**

# Outline

## 1. Introduction

## 2. Body (4 paragraphs)

**There is a high demand for ivory tusks.**

**Poachers kill elephants to remove their tusks.**

**Many elephants die.**

**Elephants become extinct.**

## 3. Conclusion
