Differences between Moodle and MySkillsLab

Syllabus indicates MySkillsLab is weighted at 70%.

MySkillsLab Grades

■ Reading Comprehension = 98.8

■ Reading & Writing = 92.7

1. Multiple each MySkillsLab grade by the weighted percentage it is worth for the overall MySkillsLab grade. (These are listed in the syllabus.)

■ $98.8 \times .40 = 39.52$ (Textbook)

■ $92.7 \times .60 = 55.62$ (Reading & Writing)

2. Add the answers and divide by 50.

■ $(39.52 + 55.62)/50 = 47.57$

2. This will be the same percentage shown in Moodle.
